Chiltern League – 5th Mob Match

The venue at Wing was made unavailable by Cottesloe School in mid January with no warning, with them citing irresponsible parking last year as the reason. Despite our appeal they refused to reconsider and many potential venues have since been inspected. There are several possible courses but parking is always the issue. We have the solution in our hands to a degree, so please park responsibly and share transport. Please ensure that your Club attends the AGM this year as the League will have to consider the way forward.

Date: Saturday 8th February 2014

Venue: Campbell Park, Milton Keynes. MK9 4AD (With grateful thanks to Jackson Ryan of MMKAC and The Parks Trust, Milton Keynes).

Parking: There are over 300 free spaces mostly in designated car parks in **Silbury Boulevard**, but some in **Avebury Boulevard**. There are also two small car parks on the perimeter of Campbell Park. You can also park in the shopping centre, but there will be car park fees and parking meters in this area.

Please park with consideration for other athletes and residents. Share a car if possible.

Changing: There are no facilities, other than portable toilets.

Refreshments: A burger type van will be available by the pavilion for food and drink.

Declarations and Results: It is imperative that **ALL** Declaration sheets are handed in on time to Dennis Orme at the Pavilion and double-checked for accuracy, in order that mistakes are not made with the results.

Every age group from every Club must make a “Declaration”.

You are encouraged to stay and support the presentation of awards after the final race particularly if your Club is possibly receiving an award. This will take place in the Pavilion.

The Course: This is a grassland course with several hills. Spikes will be an advantage.

We have modified the course since the December fixture to try to provide some variety for those who ran at this venue at the third fixture.
